for Their California Sisters. en of California, who hope to win the vote when the issue of suffrage for women is presented to the people there on Oct. 10. New York women suffragists will observe a week's fast next month. During the seven days begin-ning Aug. 15 the women are expected to forego many pleasures, including ic cream, cooling drinks, roof garden par ties and week end visits.

A long list of well known women have subscribed to the plan. The money saved will be turned over to the Californian cause.
